

QR Code Surveys and Resources

QR Codes for NHPQC Feedback Survey

We have had a busy couple years here at the NHPQC! We owe much our development and progress to the feedback that has come in from our many partners around the state. We hope that you can take a few minutes to fill out these surveys to reflect on our past year and guide our path forward.

Survey	Description	QR Code
NHPQC and Summit Survey	<ul style="list-style-type: none"> Reflect on your experience with the NHPQC in its first year. Tell us about your experience at the second annual Summit so we can make next years' experience even better! 	
Strategic Plan Feedback	<ul style="list-style-type: none"> Review the statewide strategic plan updated by the Statewide maternal health task Force and let us know your thoughts as comments.
